Total...	8	12	333	103,331 5 2	6,133 0 9	7	2	1

NOTE.—The amount actually realised bears but a small proportion to the amount sought to be recovered; but it must be borne in mind that in many cases the defendant, on a levy being made, becomes insolvent, and any property seized passes to the Official Trustee for the benefit of the Creditors, and consequently no sale by the Sheriff takes place. Many also of these writs of *fieri facias* were for large amounts, the suitors holding mortgages over and being in possession of the property seized, and were merely lodged for the purpose of obtaining the Sheriff's title for the conveyance of the interest—the purchase money being nominal.

NOTE.—This Table is incomplete. Of 108 Mills in the Colony details of 84 only have been supplied. A few Mill-owners habitually refuse to give the requisite information, but as the Mills themselves are small the general results are not seriously affected. This year the destruction of some large Mills by floods in the early part of 1893, and the total loss of their records, has rendered it impossible for the usual returns to be obtained from the proprietors of such Mills.
